

Public Schools of North Carolina

21st Century Skills

Future-Ready Students For the 21st Century

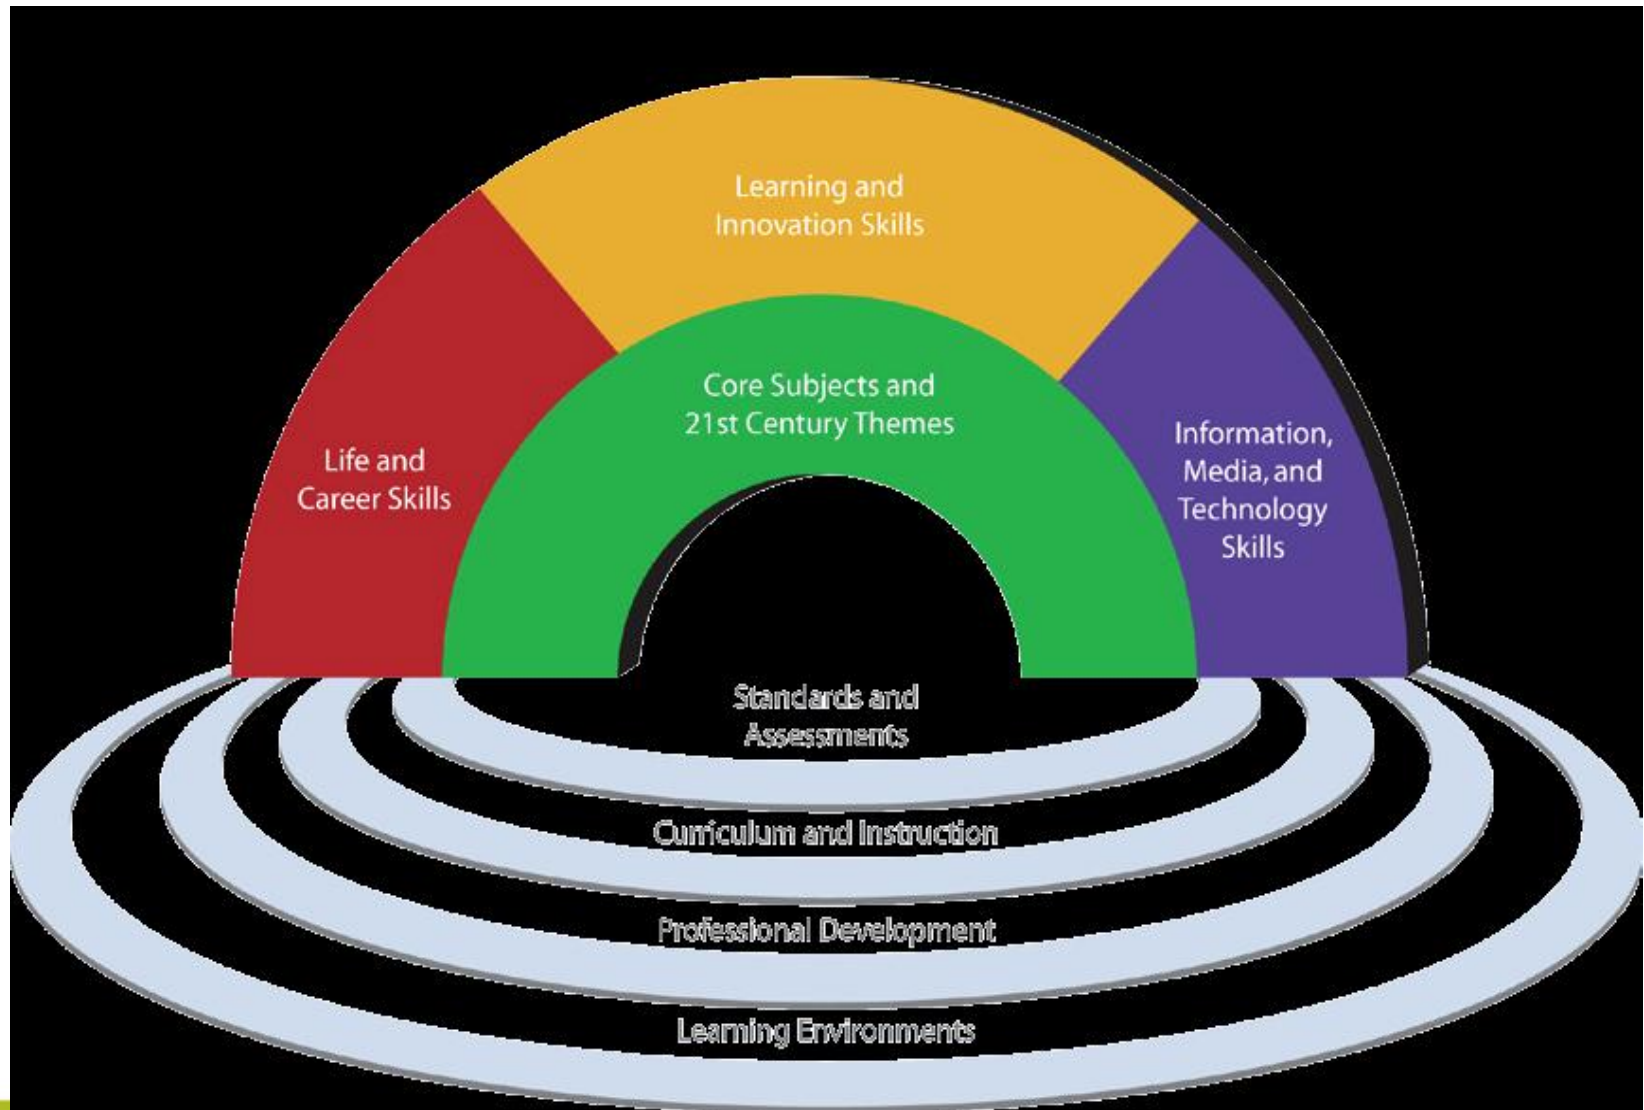

The guiding mission of the North Carolina State Board of Education is that every public school student will graduate from high school, globally competitive for work and postsecondary education and prepared for life in the 21st Century.

To accomplish this mission, North Carolina Public Schools will:

- Produce globally competitive students
- Be led by 21st century professionals
- Be healthy and responsible
- Leadership will guide innovation in NC Public schools
- Be supported by 21st century systems
